

BEFORE THE  
POSTAL REGULATORY COMMISSION  
WASHINGTON, D.C. 20268-0001

ANNUAL COMPLIANCE REVIEW, 2015

Docket No. ACR2015

NOTICE OF THE UNITED STATES POSTAL SERVICE OF FILING  
OF REVISED VERSIONS OF USPS-FY15-28 AND USPS-FY15-NP26 -- ERRATA  
(January 15, 2016)

The Postal Service hereby gives notice of filing of revised versions of the material indicated below as part of the public and **Non-Public Annex** in this proceeding:

USPS-FY15-28	FY 2015 Special Cost Studies Workpapers – Special Services (Public Portion)
USPS-FY15-NP26	FY 2015 Special Cost Studies Workpapers – Special Services (Nonpublic Portion)

These revisions relate primarily to the Commission's request in ChIR No. 2 for improved linkage in the spreadsheets. By itself, expanding linkages causes no change in spreadsheet outputs. Concurrently, however, the Postal Service has corrected errors in two files in USPS-FY15-28, 'Philatelic Sales2015.xlsx' and 'SFS Handling2015.xlsx.' A description of the correction of the minor errors in the 'Philatelic Sales 2015.xlsx' file can be found at the end of the revised Preface to USPS-FY15-28. The correction of the errors detected in the 'SFS Handling2015.xlsx' file is described in the response to Question 1 of ChIR No. 2, also filed today. The revised disks for these folders completely replace the original disks.

None of the revisions to USPS-FY15-NP26 alter the nonpublic nature of its contents. Attached to the Postal Service's ACR, filed December 29, 2015, was the application for non-public treatment of the non-public annex, which is hereby incorporated by reference.

Respectfully submitted,

UNITED STATES POSTAL SERVICE

By its attorney:

---

Eric P. Koetting
